

REMARKS

This amendment deleting the names of five persons who are not inventors of the invention being claimed is accompanied by a Request including a statement under 37 CFR 1.48(b) identifying each named inventor who is being deleted and acknowledging that the inventor's invention is no longer being claimed in the application.

The Specification and FIG. 3A are being amended to use consistent terminology where synonyms were used to identify the same element. FIG. 4 is being amended to eliminate duplicate use of call-out numbers 434, 436 and 438. Claims are being amended for better clarity. New claim 34 is supported by the Specification in paragraph 172 as-filed, and new claim 35 is supported by the Specification in paragraph 173 as-filed. No new matter is being added.

If the Examiner has questions regarding this case, he or she is invited to contact Applicants' undersigned representative at the telephone number listed below.

Respectfully submitted,
